Warrior Cheerleading 2007-2008

The student presenting you with this letter is a member on the 2006-2007 Cleveland High School Cheerleading Team. Cheerleaders are very visible representatives for Cleveland High School. They perform at potentially all sports activities through out the school year. Cheerleading is considered a Varsity and Junior Varsity sport. The team practices through the summer, fall, and winter seasons. In addition to cheering at the school sports activities the team also competes at several competitions around the state.

As you may know, funding for sports through Portland Public School District is very limited. The team members are responsible for raising money for their uniforms, camp wear and camp. This uniform strongly identifies the cheerleaders as team members and is a reflection of Cleveland High School. Cheer camp is an invaluable time for team building and unification, as well as time to learn many important cheer skills.

This year the cheerleaders have the option of enlisting sponsors in addition to other fundraising efforts. If a cheerleader has 20 sponsors with a \$50.00 sponsorship she will cover the majority of her/his costs for the year.

For you sponsorship of \$50.00 you will receive a team photo. Contributions are tax deductible.

Thank you for your time and consideration for supporting Cleveland High School's Cheerleading Program.

Sincerely,

Kami Price  
Varsity Cheer Coach
